

Privacy Policy

Introduction:

C-Curity is committed to protecting your privacy. This privacy policy explains how we collect, use, and disclose personal information from our website, applications, and services

Information We Collect:

we might gather the following information with your consent:

Details about your current location :

We utilize this data to facilitate features within our service and to enhance and tailor our offering. This information could be transmitted to our company's servers and/or those of a service provider, or it may solely reside on your device.

How We Use Your Information:

The company may utilize Personal Data for the following objectives:

Service Provision and Maintenance:

This includes overseeing the usage of our Service to ensure its proper functioning.

Account Management:

Handling your account registration for accessing various features available to registered users.

+44 20 3307 9211

Communication:

Reaching out to you via email, phone calls, SMS, or similar electronic means, such as push notifications on mobile applications, regarding updates or informative messages related to Service functionalities, products, or contracted services. This includes updates necessary or reasonable for their implementation.

Handling Your Requests:

Addressing and managing any inquiries or requests you direct to us.

Additional Purposes:

Your information may be employed for further objectives, such as data analysis, identifying usage patterns, assessing the effectiveness of promotional efforts, and enhancing our Service, products, services, marketing, and overall user experience.

DISCLOSURE OF YOUR INFORMATION

We might reveal your personal details in the following situations:

We may disclose your personal information with any affiliate within our corporate group, as defined in section 1159 of the UK Companies Act 2006.

If there's a legal obligation requiring us to disclose or share your personal data.

Data Security:

Your personal information will be securely maintained in accordance with both our internal security protocols and legal requirements. If there's a need to transfer your data outside the European Economic Area (EEA), we will seek your consent beforehand. However, it's important to note that while we strive to safeguard your personal data to the best of our ability, the internet transmission of information isn't entirely foolproof. Despite our efforts, we cannot assure the absolute security of data transmitted to our website; therefore, any transmission is undertaken at your own risk.

Your Rights:

Access and correct your personal information
Request deletion of your personal information
Object to processing of your personal information
Request restriction of processing of your personal information
